

What You Need To Know About A Person Injury Claim

- First you will need to call **YOUR** Auto Insurance and set up a medical claim.
 - Your Auto Insurance will take care of everything for you. They will give you a medical claim number, and the assigned Adjustors information. You will need to provide that information to us.
 - **REGARDLESS OF WHO IS AT FAULT, YOU DO NOT CALL THE OTHER PERSONS INSURANCE, OR USE THEIR CLAIM NUMBER.**

- Once you have set up your medical claim. You will receive a PIP Application from your Adjustor. This must be filled out and sent back to them in a timely matter.
 - **IF YOU DO NOT SEND THE PIP APPLICATION BACK TO YOUR ADJUSTOR, YOUR VISITS WILL NOT BE PAID FOR, AND YOU WILL BE REQUIRED TO PAY THE OUTSTANDING BALANCE.**

- Dr. Goodwin will set up a treatment plan for you. This treatment is submitted to your Auto Insurance Company, and they expect you to follow the treatment plan. If the treatment plan is not followed, the Auto Insurance Company may stop paying on your claim.

- If you are still in pain and need more treatment then what is covered under your Personal Injury Protection, through your car insurance, you will want to talk to a Lawyer since you will need more care than what is covered.
 - We have a Lawyer who works very well with us, and is fantastic. If you would like their info, just let us know and we would be happy to provide it.
 - In this situation you will sign a lien with us. This allows us to hold your balance while you settle your care.
